

### It's All About Safe & Fun

a standard procedure, safety briefing will be done before going down the river which covers the paddling commands, paddling skills, capsize drills, actions when overboard or river rescue. After 10-15 minutes of briefing by our professional river guide, you are now ready for a river rafting adventure.

### Join Us!

Come join this one day adventure tour - to go paddling along this Sungai Kampar, through raging white waters amidst serene surroundings... clear waters, fresh air, if the sun's up... you'll get a good tan to boot.

NOTE: Please bring along your change of clothes, sandal, insect repellent, sunblock.

Please note that rafting is all about getting wet and wild. Therefore, avoid using denim jeans, thick cotton trousers and track suits, just go for shorts, or Bermuda pants so it's easy to move around. With trained and experienced river guides with you on the raft as well as highly reliable equipment, even non-swimmers are encouraged to join.

### White Water Rafting

Where White Water flows, enthusiasts & adventurer will sure to go  
Test out your river skills and go on an adrenaline rush as you ride through the 14 rapids and cooling waters of Sungai (River) Kampar in Perak. The state of Perak is well known for its' tin ore, and pomelo fruit, Ipoh hor fun, home-grown white coffee, temples, caves and hot springs!

### What will you experience

On the river you'll have the thrills of tackling exciting rapids and floating down the clear water river amidst a lush rainforest. You will ride the continuous rapids graded from class 1-3, and continue down river, passing by some old tin mining plains. Have fun during the rafting like do some body-rafting or even take a spin in the raft with your head in the water....or just get to the traditional fun of water fight with your fellow rafters! Get wet and get in touch with nature once more.
